Cate Warbrick and Communion
Rev Christine Jones

The last five days has been so wonderfully rich with signs of God's grace and new beginnings. On Saturday I had the privilege of officiating at the wedding of Dennis and Abby; witnessing two lives joined together in love and covenant. Soon afterwards, I celebrated the birth of my granddaughter, Otilie Christine; a precious

reminder that every child is a gift from God and a sign of hope for the future.

Alongside these joys came the blessing of three baptisms at Kidz Klub, where we welcomed people into the family of faith and gave thanks for God's promise to be with us throughout life's journey. At the same time, at home we have painted lady caterpillars that have disappeared into their chrysalises. Hidden from view, a remarkable transformation is taking place.

It is a fitting image of the Christian life. God is always at work, bringing new life out of change, growth out of waiting, and beauty out of what may seem ordinary. Weddings, births, baptisms, and even chrysalises all point to the same truth: our God is a God of transformation, continually creating, renewing, and calling us into the fullness of life. And the creating Sue has been doing on a Pembrokeshire beach, so reflects that continuous movement and creativity of our awesome God. As ever thank you Sue.

There are so many thank you's for all the help in getting the church ready for the wedding and helping on the day; Sam, David, Jane, Roger, Viv, Mary Ann, Elaine, Noel, Catriona – thank you. To Mike – thank you for not knocking our gate posts down reversing your bus in 😊
And to Clare who took pastoral visiting up a level visiting Trish in Kefalonia – thank you. Love Cate x

Friday 5th June is World Environment Day

Creator God,

We acknowledge that as your handiwork,
we stand alongside all that you have made.

Trees and rivers, mountains and valleys,
soaring birds and scuttling creatures,
all are held within your care.

May we grow in our love and appreciation for the fabulous
variety around us;
and may our awe and wonder draw us closer to the natural
world, and through it to you, the God of all things.

We pray in Jesus name, Amen

**Revd Cate Williams, Environment Officer,
Diocese of Gloucester**

On Pentecost Sunday, Songs of Praise came from Bristol and John Wesley's New Room and the oldest Methodist building in the world. It is well worth a visit if you are down that way!! If you missed the episode, you can watch it here [Songs of Praise - Pentecost Sunday - BBC iPlayer](#)

As you will be aware **Deacon Ellie** will be leaving the Circuit in August. Her last service here at St Luke's is **Sunday 12th July at 10.30** and her **Circuit Farewell Service** which will be a Circuit Praise Party is the same day at 6pm at Greasby MC.

11th June 8pm to 9pm Do you ever think about how the way we view life differently to others affects our behaviour and belief systems? If so join the Your Space team on 11 June for their online session "**What Do You See?**", an online experience of perspective, perception and possibility. In a relaxed and open virtual space, you'll connect with others as we explore how perception shapes reality— personally, socially, and creatively. Register here [YourSpaceDigitalCommunity](#)

The Conference Agenda - The Agenda Volume 1 for the Methodist Conference 2026 has been published and can be found here [The Conference Agenda - The Methodist Church](#). The Conference is the governing body of the Methodist Church and meets annually to discuss matters affecting the life of the Church, the nation and the world. This year the Methodist Conference will be meeting in Telford from 25 June – 1 July.

Those of you who shop in Tesco regularly will be aware of their blue token voting system for charity groups. From **28 April to end of July, Hoylake Holy Trinity Primary school** (where some of our members work and attend) will be one of the boxes! It's not just the big Bidston shop but local ones too. We are looking to win £500, £1000 or £1500 towards outdoor play equipment. Please consider voting for us 😊. Thank you. Catriona and Vicky.

In November last year a [National Emergency Briefing \(NEB\)](#) was held in Westminster in which the UK's top scientists and doctors gave a briefing on the implications of climate and nature breakdown for health, food systems, national security and the economy to 1,200 MPs and other decision-makers, calling for a response. A new film called the People's Emergency Briefing has been released to ensure the nation is fully briefed on the scale of the climate and nature crisis, explaining the situation the nation is in and equip people with how to take action. If you haven't seen the film, I can highly recommend it and there are a couple of local opportunities to do so: **Claremount Methodist Church, Friday 3 July 2026, 2:00pm–4:30pm**
Book here: [People's Emergency Briefing at Claremount Methodist Hall Tickets, Friday 3 July • 2 PM - 4:30 PM | Eventbrite](#) OR

Hoylake Community Centre Friday 5 June 2026, 3:00pm–6:00pm Book here:
